Rule 1: For securities block trading, a "block" shall be at least 10,000 shares or a quantity of stock having a market value of $200,000 or more.

Rule 2: A NYSE Bonds GTD Order is eligible for execution in the Core Bond Trading Session only. A declaration for any other trading session will be cancelled.

Formal Requirements

Requirement 1.1

IF Action = Trade AND TradingMethod = Block Trading AND TradingVariety = Security AND (Quantity = 10,000 shares or more OR Price = $200,000 or more) AND Status = Pending THEN Result = Success AND ResultStatus = Filling

Requirement 2.1

IF TradingMarket = NYSE AND TradingVariety = Bond AND OperationPart = GTD Order AND Action = Declare AND Status = Undeclared AND Time = Core Bond Trading Session THEN Result = Success AND ResultStatus = Declared

Requirement 2.2

IF TradingMarket = NYSE AND TradingVariety = Bond AND OperationPart = GTD Order AND Action = Declare AND Status = Undeclared AND Time != Core Bond Trading Session THEN Result = Failure AND ResultStatus = Cancelled
